

Build a Better World Bingo Instructions

How do I play?

1. Pick up a Build a Better World Bingo card at the library. You can also download the bingo cards at our website, www.marlboroughpubliclibrary.org.
2. To get "BINGO" complete five squares in a row - horizontally, vertically, or diagonally. Cross off each square as you complete the assigned task of the square.

If all you want to do is read ... and read ... and read, you can also get "BINGO" by completing five of the "READ" squares, located anywhere on the card.

3. After you have crossed off five squares, write your name, and your contact info at the top of your BINGO card.
4. Drop off your card in the Build a Better World Bingo box across from the circulation desk at the library. That card is your entry into the Build a Better World summer reading raffle.
5. If you have written a book review, drop it off in the book review box across from the circulation desk at the library.
6. You can enter as many times as you want through August 12, 2017.
7. There are three different versions of the Build a Better World Bingo card, so you can complete five in a row in many different ways, on all three cards. We hope that you will be inspired to try something new, here and around the city!

Every Bingo card, kid's reading log, and teen scratch ticket submitted as part of our summer reading program will contribute one point towards our running tally. When we hit our goal, 1000 points, the library will make a meaningful donation to the Heifer Project on behalf of our library community.
