

Summer Reading List for Grade 5 2017

The purpose for summer reading is to keep your child engaged in reading while they are on vacation. Please have your child choose any **two** books from the following authors. We will have follow-up activities to complete when the children return to school. (Students may choose two books by the same author)

Choose from any of the following authors:

Andrew Clements

Sharon Creech

Avi

Richard Peck

Michael Lupica

Margaret Peterson Haddix

Fifth grade students are encouraged to complete a math review booklet to retain math skills. The math booklet will be ordered by St. Bernadette School and will be available for purchase throughout the summer. The *Summer Solutions* booklet cost is \$20.00 per book.
