Superhero Egg Drop Challenge
Official Rules

A super villain has stolen all of the library's eggs, and is going to drop them and break them to bits! Design and create a contraption that will keep an egg safe when dropped from a great height, and you could win! All teams whose eggs are unbroken (and uncracked!) will be entered into a raffle drawing to win four tickets to Six Flags, New England.

Please register your team on our website: www.marlboroughpubliclibrary.org. Raw eggs will be provided by the Marlborough Public Library. You cannot alter the egg in anyway (no tape or nail polish on the egg, no cooking the egg, etc.).

Eggs will be dropped on Saturday, August 8.

Materials:
1. Restrictions: You CANNOT use glass, staples, sharp metal (tin foil is okay), or food in your contraption. You cannot alter the egg in anyway (no tape or nail polish on the egg, no cooking the egg, etc.).
2. You CAN use: Pretty much anything else, including cardboard, masking tape, cotton balls, straw, felt, toilet paper, etc. If you are in doubt, please contact Kat Ealy or Jess Bacon at the library.

Rules:
The device CANNOT be larger than 12" x 12" x 12".
Packages determined to be hazardous will not be dropped.
All entries must be clearly labeled with the team name.
No more than one entry per team is permitted.
Teams may have as many members as they like, but members are only allowed to be on one team.

Prize: Four tickets to Six Flags, New England. If more than one team has an egg that safely reach the ground, the winner will be chosen at random from among the qualifying teams.
